

DID YOU
KNOW?

Site & Land Development

H&K Group, Inc. (H&K) has been providing full-service site development to the Mid-Atlantic region since 1968. With a network of 11 affiliated contracting companies, we handle every aspect of your site development project from initial site layout through bulk excavation, earth retention, utilities and final applications such as curbing and paving.

Our Site Development Services include:

- Land Clearing & Grubbing
- Construction Layout
- Soil & Erosion Control
- Demolition
- Excavation
- Construction Drilling
- Underground Utilities
- Site Concrete
- Stoning, Milling & Paving
- MSE Structures
- & MORE

H&K also has highly trained, skilled employees and a fleet of over 650 pieces of equipment, guided by the latest technology in Global Positioning Systems and Automatic Tracking Software, resulting in greater grade control and project efficiency. Our unparalleled supply chain management and control through our various materials facilities keeps your project on schedule and within budget.
