

Water & Wastewater Services

PROJECT PROFILE

Muffin Monster Installation

Before

After

Project:

South Delaware County Authority
Muffin Monster Installation

Location:

Boothwyn, Delaware County, PA

Client:

South Delaware County Authority
101 Beech Street
Boothwyn, PA 19061

Design Engineer:

Catania Engineering Associates, Inc.
520 W. MacDade Boulevard
Milmont Park, PA 19033

Project Information:

Removed the existing manual bar screen and replaced it with a 1,450 lb. JWC Channel Muffin Monster.

The Muffin Monster highlights:

- Powered by a 460 volt 5 HP hydraulic power pack
- State-of-the-art control panel for automatic operation
- Remote monitoring capability

The Muffin Monster was installed mechanically and electrically in one day with start up and training the following day.
