Haines & Kibblehouse, Inc., (H&K), the most trusted name in construction materials and heavy civil contracting **since 1968**, is proud to announce its newest asphalt facility, **Delaware Valley Asphalt (DVA)** in southwest Philadelphia.

Our New Asphalt Plant

Our brand new state-of-the art **Astec 400 Ton Per Hour, Double Drum** asphalt plant will produce and supply all standard Pennsylvania Departments of Transportation (PennDOT) mixes, Superpave mixes as well as a wide variety of custom mix designs. With our **on-site testing laboratory and three (3), 300 – Ton Storage Silos**, DVA will have what it takes to supply exceptional asphalt when and where our customers need it!

DVA also maintains approval to **operate and supply night and weekend paving projects** from its 61st Street Location. Please contact our Sales Team for further details.
