NOW OPEN: NEW ASPHALT PLANT AT EASTON QUARRY & ASPHALT

Skippack, PA – H&K Group, Inc.'s (H&K's) newest and most innovative asphalt facility at [Easton Quarry & Asphalt](#) is open for business!

Easton Asphalt's brand-new [Astec Industries, Inc.](#) double drum, 400 ton-per-hour plant is fully operational and features three (3) 300-ton storage silos, on-site laboratory and redesigned onsite traffic/infrastructure flow pattern to get our customers the high quality products they demand with limited onsite wait times. Customers can still find *Easton Asphalt* at our existing physical address: 5137 Lower Mud Run Road, Easton, PA 18040.

H&K's new *Easton Asphalt* facility is equipped and approved for nighttime operations and will be capable of meeting off-peak and compressed paving schedules if required. *Easton Asphalt* is also offering Pennsylvania and New Jersey Department of Transportation (PennDOT and NJDOT) approved materials (please call ahead to confirm), as well as various custom mixes and all SUPERPAVE mixes. Customers are encouraged to contact their Salesperson for confirmation before placing an order.

For additional information regarding products, directions, delivery or any other general inquiries, please contact our knowledgeable Materials Sales staff by calling 610.222.3042, emailing MaterialsSales@hkgroup.com, or calling the Asphalt Plant directly at 610.250.7691.

Currently celebrating over a half-century of business excellence, [H&K Group, Inc.](#) provides [heavy civil contracting and construction services](#), [construction and building materials](#) and [associated ancillary services](#) through 85 operations in three states including eastern PA, NJ and DE. To learn more, browse hkgroup.com or call 610.584.8500.

Project Photos included.

H&K's brand-new Easton Asphalt plant is prepped and ready for production in this late June 2022 aerial drone photograph!

Precision fit and finish of the Easton Asphalt's new plant is evident in this pre-opening aerial drone photo from late June 2022.

Easton Asphalt's fully redesigned plant entrance and exit pattern is emphasized in this photograph. Customers should expect smooth and efficient product pick-up at H&K's newest and most efficient asphalt plant.
