Plumstead Materials' Stone Clearance Sale - \$3.00 Per Ton

Due to a supply surplus, [Plumstead Materials](#) in [Doylestown, PA](#), is proud to offer its ½" minus/modified stone at only \$3.00 per ton. This deep discount is a limited-time offer valid only while supplies last. In these financially difficult times, Plumstead Materials is proud to offer this great value to our customers.

This [USCS Classified SC](#) stone is great for structural fill or certified clean fill, as well as backfill, pipe bedding, landscaping, driveways, trails and more. For more information on the ½" minus/modified stone available through this special sale, view the complete [particle analysis here](#).

Material can be purchased onsite and hauled, or schedule delivery as you need it. No maximum or minimum quantities are required, but for large orders please call ahead to ensure availability.

For more information on this offer, to schedule delivery, or for bulk purchases, call the H&K Group Materials Division Sales Department at 610-222-3042 or email StoneSales@hkgroup.com.

About Plumstead Materials

Through a partnership between [The H&K Group](#) and [Miller & Sons Paving](#), Plumstead Materials, located in beautiful Bucks County, has been crushing rock since 1995 in Plumstead, PA ([get directions](#)). We produce a variety of construction aggregates available to Bucks and Montgomery Counties and their surrounding areas. We offer delivery service to contractors and homeowners on all materials we produce.

The knowledgeable staff at Plumstead Materials is ready and pleased to assist you. If you have any questions regarding products, directions, delivery, or any other general inquiries please contact the scale house at 215-766-2206.
